Attendance

A sign-in sheet will be provided at all rehearsals to keep a record of attendance. Members should sign in upon arrival. It is important that everyone attend all rehearsals. **Members should notify the conductor or manager by e-mail as soon as possible for any rehearsal they expect to miss.** You may also call the BAYS office number at 281-284-3385 and leave a message stating your name and date of absence.

Members who are absent from more than two rehearsals may not be permitted to perform at the concert, at the discretion of the conductor. Consistent absences may result in removal from the organization without a refund of tuition or fees.

In the event of a schedule change or cancellation, every effort will be made to notify the members.

Equipment and Music

Members will be provided a folder with all music for the upcoming concert events. Originals will be kept at the site with the conductor or symphony manager. Please be sure to bring your music to each rehearsal. If the need arises for an additional copy, please notify the conductor by e-mail or arrive early to accommodate any loss of rehearsal time.

Large percussion instruments will be provided. Students are responsible for mallets, sticks and small accessory percussion needs. Cellos and basses will need to provide their own roc-stops and stools.

Placement and Seating

Students have been placed into the symphony based on the auditions held before the adjudicators. Placement into BAYS is not based on ethnic, religious or financial background. Chair placements are determined by the audition, chair tests and/or rotation and may be adjusted accordingly by the conductor or symphony manager during the course of the season. Decisions made by the directors are final. BAYS does not offer an appeals process for decisions set forth by the staff or BAYS advisory board.

Auditions for the 2010-2011 Season

Students wishing to return to BAYS in the fall will need to submit a new application and complete the audition process. Students will then be placed into one of three ensembles: Symphony, Philharmonic or String Ensemble. All-State students will need only to submit an application and proof of All-State membership. Students making the All-Area and/or All-State ensembles are automatically accepted into the Symphony. Students requesting membership into Symphony will be accepted until all positions are filled. New applicants will complete the audition process and will be notified of the orchestra placement. Auditions are held in May and August. Information regarding audition dates will be posted on the web-site in April 2010.

School Participation

The BAYS program is designed to supplement, not replace, the area public and private school music programs. BAYS requires its members to participate in their school orchestra or band whenever such ensembles exist. The signature of the member's school music director will be required in order to participate. Students not participating in their school music programs must submit a signed letter in writing from the school's music director stating the student's reasons for not participating and giving permission for that student to accept membership into BAYS.

Dismissal

Any member may be dismissed from BAYS after staff review. Reasons for dismissal include, but are not limited to:

1. **Constant absences without notifying the conductor.**
2. **Engaging in illegal activities or undisciplined behavior while participating in BAYS**
3. **Failure to maintain the musical standards of the ensemble.**
4. **Exhibiting disrespectful or non-supportive behavior towards any BAYS member or staff.**
5. **Non-participation in applicable school music program.**

Dismissed members will not be refunded their tuition or be eligible to receive any scholarship award. The parent(s) or legal guardian may request a meeting with the BAYS staff and dismissed student.

Concerto Competition

The Bay Area Youth Symphony offers its members monetary scholarships awarded through competitive auditions. The winners receive funds to support their musical endeavors, as well as an opportunity to perform their concerto with the Symphony. Financial rewards may vary and are determined by available funds.

Eligibility

The competition entrant must:

1. Be a current member of BAYS and miss no more than 2 excused rehearsals.
2. Be a member in good standing.
3. Not fail to return any music or property, or to pay any debt owed to BAYS.
4. Must submit a completed concerto application form by the deadline date of Jan. 17.
5. Audition with a pianist on February 21st.

Competition Requirements

Applicants will perform one movement of a concerto, or a work for solo instruments and orchestra. The applicant will provide their own accompanist and appropriate cuts in the accompaniment should be made to keep the performance time to a minimum. The concerto should be played by memory for the concert if selected.

Audition Information

All participants must meet the audition eligibility requirements.

Each entrant will be assigned an audition time. There will not be an alternate audition date. The auditions will be open to the public, and the contestants should dress appropriately.

Judges for the concerto competition may include BAYS conductors, staff and/or invited guests. The judges written critiques will be given to each participant.

Scholarship Awards

Cash rewards will be rewarded to the first place winners. The judges reserve the right not to designate a winner at any level. The decision of the judges is final.

Winners of the top scholarship awards may, at the discretion of the conductor, be invited to perform their solo with the symphony.

Utilization of Scholarships

Recipients must send a letter regarding the use of the award. Scholarship funds may be applied to: lessons, music school, camps, purchase of an instrument, bow, equipment, music or BAYS tuition. Funds will be reimbursed upon receipt of use. Awards will first be applied towards BAYS tuition in the event of an outstanding balance. Funds must be used or committed before the beginning of the following BAYS season. Continued membership in BAYS is required.
