## The Mika Hasler Concerto Award 2011

Mika Hasler began her violin studies at the age of two. When she was 13, she received the Minister of Education Award and as a teenager was the 1st place winner of the Siena International Competition and Young Artist Competition in Washington, D.C., and earned a performance at the Kennedy Center. She came to the United States as a Fulbright Scholar and studied with the legendary Josef Gingold. She has performed with the Houston Symphony and served as the Concert Mistress of the Houston Grand Opera for seven years. As a soloist, she toured with Rice University throughout Europe. She continues to perform around the world and loves helping young people.

**Brian Bires, Symphony Level Award Winner, Awarded \$1000 scholarship**

**Brian Bires** is a sophomore at Clear Brook High School. He began playing viola in the 6th grade under the direction of his mother, Christina Bires. He is currently the private student of Lorenzo Golofeev. He has been in region orchestra for 4 years and most recently made TMEA All-State String Orchestra. During All-State he auditioned and received the viola string quartet solo. Brian is a member of Clear Lake Symphony and is a staff musician for Friendswood United Methodist Church. Brian also performs at many different venues around the Clear Lake Area as a freelance violist. He is a member of National Honor Society and in 2011 he received his 3rd degree Black Belt and is now an instructor of Tae Kwon Do. Brian plans on majoring in Music Education with a minor in viola performance. Brian lives in Friendswood with his mother and his 2 dogs, Popo and Pablo.

**Annelise Hornack, Philharmonic Level Award Winner, Awarded \$500 scholarship**

**Annelise Hornack**, 12 years old, is a homeschooled 6th grader. She has been playing the violin for 8 years. The hobbies and activities she enjoys are playing soccer, playing violin, and reading. She also enjoys collecting key chains from various places she visits. Her parents are Tom and Ann Hornack, and she has a 10 year old brother, Leighton. The Hornacks moved to the Clear Lake area from North Carolina 18 months ago.

**Olivia Dinardis, Preparatory Level Winner, Awarded \$100 scholarship**

**Olivia Dinardis** started playing violin with Mrs. Kysha Bradshaw when she was three years old, and has been a member of Bay Area Youth Symphony since she was four. She currently studies with Dr. Julie Richards at University of Houston Moore's School of Music Preparatory Continuing Studies program as a scholarship winner. Olivia has participated in Sizzling Strings Camp at Space Center Intermediate, Houston Area Suzuki Strings Association workshops, and has earned superior ratings at the CCISD Solo and Ensemble contest for the past three years.

Olivia is a 2nd grader at Wedgewood Elementary and when not playing her violin she enjoys swimming, reading, and playing with her brothers and sister. She plans on being a teacher some day.
